What is GELI?

Girls Empowerment Leadership Initiative

The MCSW is committed to building the future of the Commonwealth – starting by investing in our girls and gender-expansive youth. The Girls Empowerment and Leadership Initiative (GELI) seeks to empower young women and gender-expansive youth, ages 14–22, across the Commonwealth to advocate for themselves and their communities. This initiative focuses on developing leadership and civic engagement skills through educational workshops, skill-building opportunities, and the opportunity to connect with peers across the state.
