

BARNSTABLE COUNTY SNAPSHOT¹

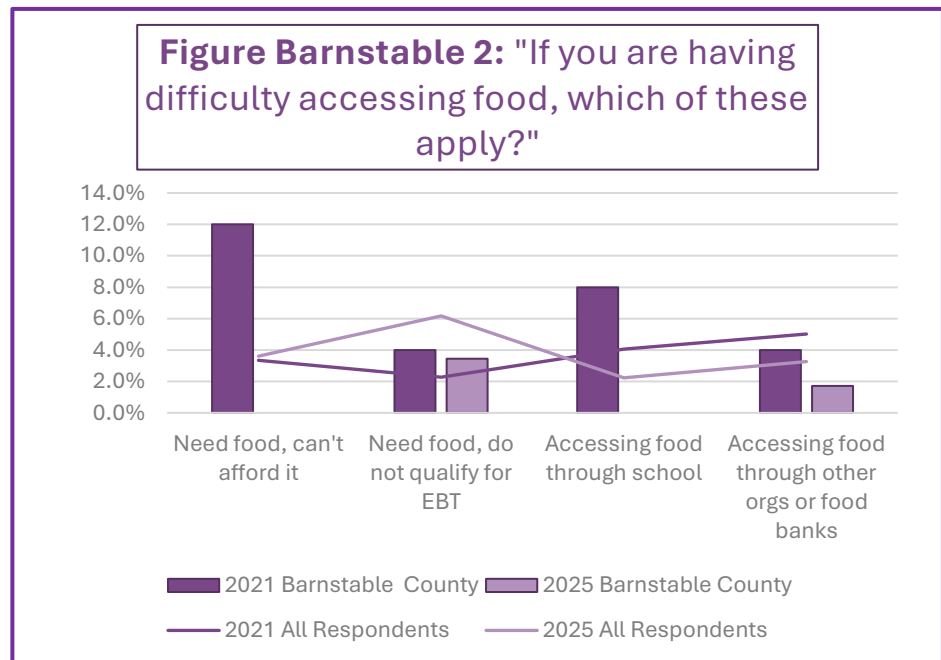

Housing

In 2025, 12% of Barnstable County respondents reported housing issues that were a direct result of COVID-19.²

Accessing food

In 2025, 7% of Barnstable County respondents were having trouble accessing food. This reflects a meaningful decrease from the 20% of Barnstable County respondents who had trouble accessing food in 2021.

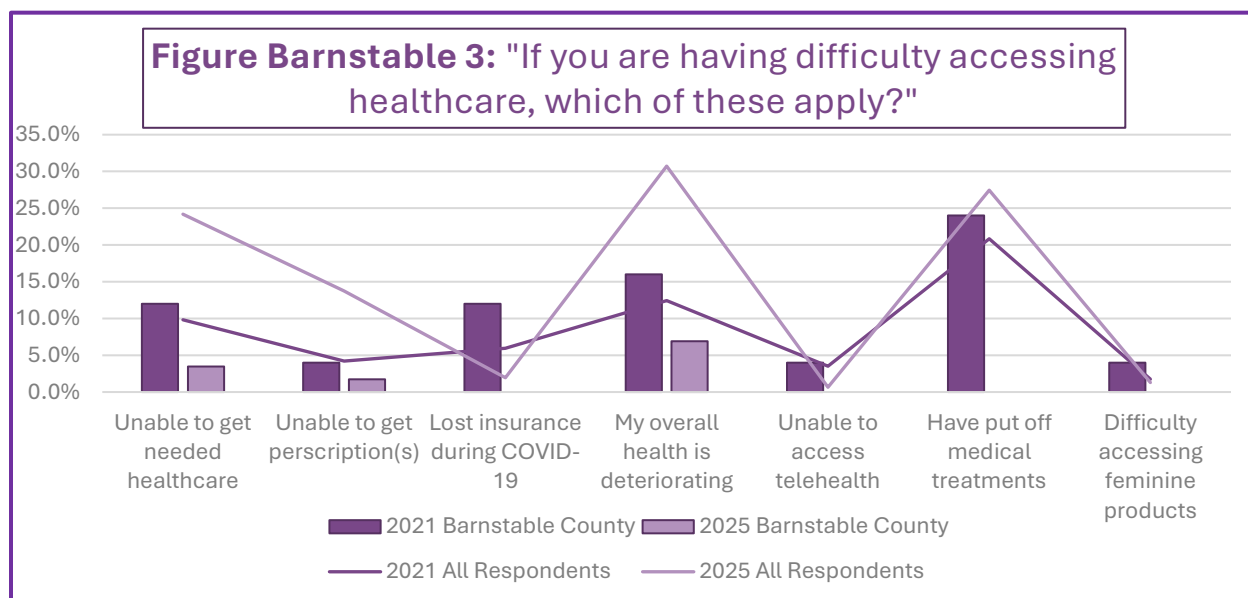

¹ Fewer than 10 respondents indicated caring for children or adults living with them in both 2021 and 2025.

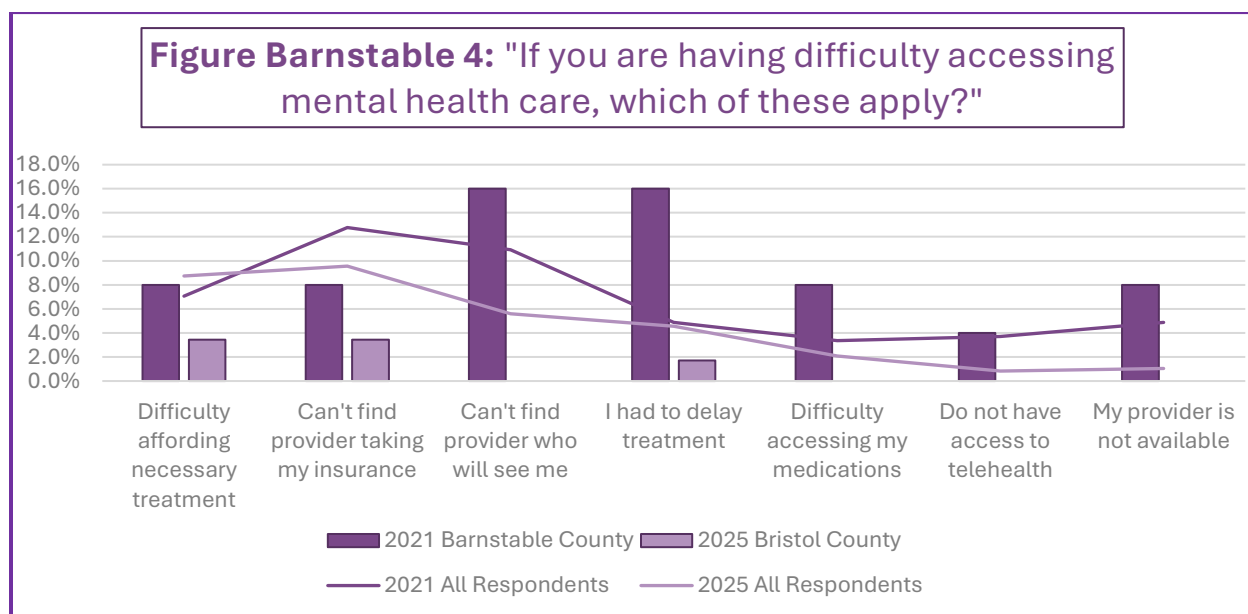

² In 2021, respondents did not have an option to indicate "none of these apply", therefore, for that year's data, it is not possible to see the percent of the total that experienced housing issues. For clarity, only 2025 county-data is reported here.

Healthcare

In 2025, 14% of Barnstable County respondents were having difficulty accessing healthcare. This is just two percent lower than in 2021, when 16% of Barnstable County respondents were experiencing difficulty.

In 2025, 5% of Barnstable County respondents were having difficulty accessing mental healthcare, compared to 32% who were having difficulty in 2021.
